

CLEANING BEE COMMITTEE - Job description

(Full year positions – September to May; evenly distributed among the classes)

Each cleaning bee member must attend two (2) separate sessions, which take place during the school year.

Parents are invited to choose their two preferred months at the beginning of the school year at the AGM.

*****Failure to attend a cleaning bee will automatically result in the cashing of the individual's duty roster cheque. Failure to attend a subsequent cleaning bee will jeopardize the student's registration in the playschool***.**

Cleaning bees take approximately three hours.

- Cleaning standards affect our license. Heavy cleaning, not generally done by our daily-sharing parent, is completed at cleaning bees. Sample tasks include washing toys, floors, shelves, chairs, tables and walls. The Cleaning Bee Coordinator has a complete list of tasks. Twice a year (in Nov and in May) the cleaning bee participants must shampoo the classroom carpets. If you have a rug-shampooing machine, which the playschool can borrow, please advise the cleaning bee coordinator.
- Attendance at the cleaning bees is very important. If a Cleaning Bee Committee member cannot attend the cleaning bee, an alternate parent/friend/relative must take his or her place. If you need to switch with another committee member you as the member are responsible to do so and must advise the cleaning bee coordinator.
- If you require entry into the playschool after hours, you must advise Shelly Stevens, the Riverbend Community League Executive Assistant (437-7108).
- As a member of the Riverbend Playschool Society, attend the Annual General Meeting held in May to vote on legal matters such as the election of executive members and any amendments to the Society's bylaws.
